	Vorbereitung C13-Test (Englisch)	Seite 1/1	

Facharzt für Gastroenterologie

Dr. med. A. Neveling, Kösliner Str. 12a, 38642 Goslar, Tel.: 05321 – 686980, Fax.: 05321 – 6869818

**Preparation on C13-Test:
(Test on Helicobacter bacteria)**

On the day of the test:

Please come **absolutely sober** to our doctor's office. Don't eat or drink anything, don't chew bubble gum, don't smoke or use adhesive for teeth. Don't swallow water while brushing your teeth in the morning. Optimally you don't brush your teeth.

Please note:

You have to drop antibiotics at least 6 weeks before!

Medicals that inhibit gastric acid should be dropped at least 10 days before.
(Exception: You have a stomach ulcer or an acute stomach bleeding and your doctor prescribed it permanently.)
